If you don't have the above information, it may be found in the Bath House Survey located in the History Room at the Patten Free Library. To locate your deed online, go to: www.cityofbath.com; then go to Bath Government, then Assessor's Office; then click on "search the assessor's data base"; type in your street address and click on "Search". Scroll down to the bottom to get your deed number. Don't worry if you can't get the information. It simply saves time for the researchers. Sometimes it takes several months for the houseplaque, as research can be complicated and often there is a backlog at the signmakers. If you have any questions, please call the SPI office at 443-2174 or e-mail info@sagadahocpreservation.org.

Cost: \$100.00 includes one year single membership for newcomers or \$65.00 for current members.
